Explanations:

+ This meeting is scheduled in anticipation of the release of the Leeds Local Plan site allocations. The relevant information is currently expected to be released during November/December. If, once the information has been published, it is determined that a meeting is no longer required, the meeting can be cancelled accordingly.

++ This meeting has been scheduled one week later to allow sufficient time for discussion of the 2027/2028 budget. Over the past two years, the Financial Working Party has met on two occasions during January to consider the budget in advance of its formal consideration by the Parish Council. The proposed timing therefore allows the working party to undertake its review and make any recommendations before the budget is formally presented to the Council.

+++ This meeting has been scheduled one week earlier than the usual meeting date to the third Monday being during Christmas week.

Kind regards

Jill Davis
