14.d Asset Register

Dear Council

Please find attached the Asset Register for 2026/2027.

Please note that this is a live document and will be subject to ongoing review and updates as required.

The increase in both purchase costs and insured replacement values is attributable to:

- Increased replacement values of existing assets;
- The addition of new items to the Asset Register; and
- An increase in the insurance valuation for the War Memorial, which is listed separately within the insurance schedule.

For information, the budget allocation for the annual insurance premium is £1,200.00. The actual insurance premium payable for the year was £1,115.39.

Kind regards,

Jill Davis

Jill Davis

Proper Officer to Drighlington Parish Council
